THE DENTAL SPECIALISTS.

No More Dread of the Dental Chair

Teeth extracted and filled absolutely
without pain by our late scientific
methods. No sleep producing agents
or cocaine. These are the only dental
parlors in Honolulu that have the patent
appliances and ingredients to ex-
tract, fill and apply gold crowns and
porcelain crowns, undetectable from
natural teeth, and warranted for ten
years, without the least particle of
pain. Gold crowns and teeth without
plates, gold fillings and all other den-
tal work done painlessly and by spe-
cialists.

Gold crowns, \$5; full set teeth, \$5;
bridge work, \$5; gold filling, \$1 up; sil-
ver fillings, 50c.

Any work that should not prove sat-
isfactory will be attended to free of
charge any time within 5 years.

We are making a specialty of gold
crowns and bridge work; the most
beautiful, painless and durable of all
dental work known to the profession.
Our name alone will be a guarantee
that your work will be of the best. We
have a specialist in each department.
Best operators, best gold workmen
and extractors of teeth; in fact all the
staff are inventors of modern den-
tistry. We will tell you in advance ex-
actly what your work will cost by free
examination. Give us a call and you
will find we do exactly as we adver-
tise.

ENDOWMENT BOND.

Do you know that an Endow-
ment Bond in the Provident
Savings Life Insurance Society
combines protection and invest-
ment, and at the end of twenty
years the principal sum would
be paid to you in cash, with ac-
cumulated profits, and in event
of death during the premium
paying term, a cash addition to
the principal sum assured, rep-
resenting a return of from thirty
to ninety per cent of the
total premiums paid would be
included in the amount then
due and payable to your bene-
ficiary? I. R. Burns, Resident
Manager, New Magoon building.

that was enough to attract much at-

were many ladies there, but none so
charming. None so attractive. Her
hair was her beauty. Other dresses
as rich, other faces as pretty, other
dancers as perfect, but no other hair
so becomingly dressed; and the lady
was the center of attraction. It is
always so. Before you go to the ball-
room, opera or party, you better see

TEMPORARY ALIMONY IS AWARDED TO MRS. BARTLETT

Husband Strikes Back With a Counter
Affidavit to One Recently Filed—
Will Deny Every Allegation.

The preliminary legal encounter in
the Bartlett divorce case was staged
yesterday morning in the circuit court.
It was a question of temporary ali-
mony, and while Mrs. Bartlett suc-
ceeded in getting an allowance on
every point asked, in some of them her
estimates were cut down by the ju-
dicial hatchet.

In the first place Mrs. Bartlett want-
ed \$50 a month temporary alimony
pending the determination of the case.
This she was allowed on a proper
showing, and Bartlett was ordered to
pay \$50 for the first month into court
forthwith, and for the second install-
ment he must make his deposit by
January 3d.

For attorneys' fees Mrs. Bartlett
asked \$100, but was only allowed \$75.
She wanted \$50 for court costs, but
the order is that Bartlett deposit \$15
at once and such further amounts
hereafter as the court shall direct as
the matter proceeds.

Ward S. Bartlett, the defendant,
shows evidence that he intends to put
up a strong fight in the case. In a
counter affidavit filed yesterday he
gave an inkling of his defense. He
says he shall deny each and every one
of Corrine Bartlett's allegations, which
are of cruelty and intemperance, and
that he will allege that rather than be-
ing driven from home, as she claims,
that she left of her own free will and
accord. He represents that he gets a
salary of \$120 a month as bartender
for S. L. Shaw, and in all makes from
\$125 to \$140 monthly. He says he has
no money in bank, nor any property
whatsoever.

LOST CHILD RETURNS.

It is thought that She Stole Off on
the Keauhou.

Emily Limaholo, the little girl who
was enticed or ran away from home
last week, was returned to her grand-
mother in the steamer Kauai yester-
day. The little one left here in the
Keauhou supposedly with Mrs. Johnnie
Coakley of Waimea, Kauai. As soon
as she was missed it was thought by
her grandmother, with whom she lived,
that she had been kidnapped, and a
warrant was sworn out charging a
woman, Martha, by name, with kid-
napping. The warrant was sent to
Kauai, but before it had been served,
the child was placed on the Kauai and
on her way back to Honolulu. It is
said that the child was not stolen
but that she went to the steamer
to see Mrs. Coakley off, and that
she was told by the latter to go ashore.
When the vessel was off the light-
house it was found that Emily was
aboard and as there was no time to
stop and put the child ashore, she
was taken along to Waimea. She was
put aboard the Kauai Friday afternoon
at Eleale and brought here. At the
time she was on the steamer at Ele-
ale she evinced a desire to stay on
Kauai and not to come back here. The
matter of the service of the warrant
is still in the hands of the police.

MARRIED.

THOMPSON-COOK.—On December
12th, at Kawaiahae Church, by the
Rev. H. H. Parker, John H. Thomp-
son to Lillian P. Cook.

Cloud Photographs.

The demand for the best in photo-
graphy has been met by King Bros. in
their latest productions of cloud ef-
fects, finished in platinum.

Familiar and beautiful scenes sur-
rounding Honolulu are now made in
the most attractive form.

This is made possible by a discovery
which permits treatment of the ordi-
nary plate in such a way as to make
them sensitive to certain color rays
absolutely necessary in making per-
fect cloud photos. No means are spar-
ed in the production of these photos
and it is a pleasure to note that their
efforts are being appreciated.

PERSONALS.

Only the very best stock obtainable
used by the New England Bakery.
We employ two Germans and one
Scotch master bakers. New England
Bakery.

M. McInerney deserve a special men-
tion for their very neat and attractive
show window at the corner of Fort
and Merchant street. It attracts all
who pass by.

Fruit cakes, with Merry Christmas,
any size, at New England Bakery.
The America Maru brought but eight
Chinese and Japanese for this port.
This is the smallest number arriving
for Honolulu from the Orient in a
long time.

Hot buns and coffee cake, fresh
every morning at New Eng. Bakery.
A very complete reference library
has been established in the office of
the superintendent of schools, which
will doubtless meet the hearty ap-
proval of the teachers. The range of
books covers all conceivable subjects.

Dainty almond macaroons and lady
fingers at New Eng. Bakery. Tel. 74.
Attention is called to the announce-
ment of Lewis & Co., the old and reli-
able grocers of Honolulu. They are
as usual prepared for the holidays
with every kind of grocers' sundries.
It is a familiar saying "that it came
from Lewis & Co. and must be first-
class."

Popcorn, any quantity, for schools or
church entertainments. New England
Bakery.
Two prisoners arrived in the Kinau
yesterday in charge of Chester A.
Doyle. The men were brought from
Maui and were taken to Oahu Prison
to serve their sentences. One of the
prisoners is a white man and the other
a Chinaman who is sentenced to serve
seven years for burglary.

Scotch baker imported expressly to
make Scotch bread, New Eng. Bakery.
There are one hundred and eighty
teamsters on the America Maru return-
ing from China where they went with
the animals for the German army
from San Francisco. They are a much
better behaved lot of men than were
in the Rio when she passed through
here.

Place your orders early for Christ-
mas supplies and save disappoint-
ments. New England Bakery.
A portion of Waikiki road was
blocked Friday evening owing to
the collapsing of a storm sewer near
the Hopkins switch. It was built
some years ago, and through decay
had tumbled in. The services of the
road master were enlisted, and tem-
porary repairs were made pending
the permanent work.

Get your cranberry pies for your
Christmas dinner at New Eng. Bakery.
Business on the Pacific Heights elec-
tric line has increased to such an ex-
tent that from now on fares will be
required to purchase tickets on Sun-
days before entering the cars of the
company. The new arrangement will
greatly facilitate the speedy handling
of passengers. Free buses now run
from Nuuanu street to the power sta-
tion.

Scotch shore bread made by a Scotch
baker at New England Bakery.
Honolulu is plenty large enough for
two meat markets, and with the open-
ing of the Honolulu Market Co.'s
place in the Waverly block on next
Wednesday, the city will be served
with a first-class meat firm. The
members of the new firm are well-
known men who have the financial
ability behind them to assure the com-
plete success of the new market.

Chocolate eclairs and cream puffs,
simply sublime, at New Eng. Bakery.

The Best Plaster.

A piece of flannel dampened with
Chamberlain's Pain Balm and bound
to the affected parts is superior to
any plaster. When troubled with
lame back or pains in the side or
chest, give it a trial and you are cer-
tain to be more than pleased with
the prompt relief which it affords.
Pain Balm also cures rheumatism.
One application gives relief. For sale
by Benson, Smith & Co., general
agents for Territory of Hawaii.
